# I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

Any major complaint brought to the notice of the Visiting Officer:

- No:-

Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:

All major and urgent ~~Dep~~ Demands depicted in B2V1 + B2V2 has been ignored completely.

Overall assessment of visit and suggestions:

(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

viz Land foraging + Cremation ground improvement

The major works executed by RDB Deptt. can't change the mind set and raise the standard of the people in GA. There is also need of the various Deptt. viz: Agriculture, Horticulture, Soiliculture, Health Deptt. to visit the GA. to ~~create~~ aware the General public of the alien ~~about~~ various schemes. As that their standard is raised their financial status is ~~improved~~ <sup>enhanced</sup>. People are totally dependent upon 100 days wages and nothing else. People are doing nothing to improve their <sup>own</sup> standard. By these schemes Govt. forces the people to become beggars. The Govt. employees have migrated to urban areas and problem remain unchanged as RCT teachers engaged for the purpose the purpose remain same but they migrate to cities with their family & ~~leave~~ <sup>sell</sup> these

# NOTES

Suggestions of visiting officer.

- 1) The schemes which are currently prevailing viz. MGNREGS + 14FC 15FC. Should be immediately stopped, because these schemes have made people beggars and dependent on Govt. deptt.
  - 2) Govt. should frame such policies which can make the people self independent.
  - 3) Much focus should be laid down on proper schooling of the children and improve the infrastructure of schools. They should be made accountable, as the product of nation always come from Education. It is regarded as backbone of nation.
