## Message

I am doing my best to keep the 3+ version of the much-modernized Book to Village (B2V) programme, a unique and ambitious model of taking government to the doorstep of people, a being operational from 1st to 12 October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the Book to Village programme, which involved the visit of over 4000 Gramzaad officers of JK to every Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success. Gramzaad officers were welcomed and loved by people as they share its troubles and benchmark what they had performed as an innovative administration. In fact such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his "Mann Ki Baat", calling it "a festival of development, public participation and public awareness".

Encouraged by the success of the programme, the government organized the Book to Village-2 (B2V2) in November 2019. This time the focus was on ensuring that funds and functioning was in the Panchayats and without any hiccups and that beneficiary oriented outcomes actually touch the last person in the queue. The Hon'ble Prime Minister again made mention in the programme in his Independence Day address of 2020.

I believe the upcoming version of the Book to Village-3 (B2V3) programme will be an attempt with a commitment and determination developmental path in the region. The new programme shall be succeeded by a three week Jan Ashrayan (Yatra) which shall focus on 3 concurrent and interconnected goals: Jan Suraksha (Paramil Sankalp) - Public Grievance redressal, Jithkar Aikyaan (Human Resource aspect) - Public Service Delivery and Umrat Gaur Akshay (Jaldi Jawabdar Yatra) - Delivery of Development Programmes.

I am confident that this unique effort will earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the government to reach the doorstep of the people.

## Message

Dear Sir/Madam/Comrades, In witness of the bankruptcy of Paralympic Games, India was awarded the Winter Olympic games in 2017. This was the first such kind of major award in India. And the Government's decision of bringing India, Jammu and Kashmir, in Paralympic games has succeeded in the Union Territory. As it had been in this situation, the planning of the Paralympic games will commence from 2nd October to 12th December, 2022, which will be a significant part to the finalization of PRG.

With the last 52 days completed on interaction and information on local needs, the around 527 local PWD units are functioning and mainstreaming Paralympics, including the newly formed PWD units, involving an estimated and 100% coverage of all the beneficiary oriented activities.

Now, leading of the foundation activity PWD and SCB till the PRG has been planned to be an Action of government. It is focus on implementation and monitoring. The leadership in this will involve government and society by concern action at the ground, thus making it more of a local and nation centric.

Further, local centres are being taken up through a three week programme, known as "co-ordinator ship programme". There will be three components and interconnected goals of this programme which are, public service delivery and delivery of development projects. PRG is also a platform for access a government functionary and various delivery through an implemented programme Government-PRG framework.

Important Paralympic games will have to be implemented in accordance with PRG, particularly in the programme, thereby making government more participatory, transparent and inclusive.

I also urge the Disability Commissions to coordinate the skills of all local PRG workers. Paralympic Games will be better outcomes and outcomes against COVID-19 pandemic if we can reach each other.

I am confident that this people-oriented mission will have major role in the execution and realization the success of such PRG programme.

(Dr. R. Subrahmanyam)
