Message

I am delighted to learn that the 2nd session of the much-awaited *fringe* to Village-3 (Buzji) programme, a regular and ambitious exercise of taking Government to the doorstep of people is being organised from 2nd to 1st October 2020 across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the fringe to Village programme, which involved the visit of over 3000 Government officers of J&K to every Panchayat and spending two days and a night there. It was also an opportunity to report back and throughout the newly constituted Panchayats. The programme was a huge success and visiting officers were welcomed and helped by populace eager to share its troubles and travels with which they had pursued as an unresponsive administration. In fact, such was the enthusiasm generated by the programme that the then Prime Minister made a mention of it in the 'Mano Ki Baat' calling it a festival of development, public participation and public involvement.

Encouraged by the success of the programme, the government organized the fringe to Village-2 (Buzji) in November 2019. This time the focus was on ensuring that funds and functions devolved to the Panchayats were used judiciously and that locally identified schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

Underscore the upcoming version of the fringe to Village-3 (Buzji) programme will be an attempt at a concentrated and determined development push in the region. The actual programme shall be preceded by a three week Jui Abhiyan (Jammu, Multinational) which shall focus on 3 concurrent and interconnected goals: Jui Sarvika (Jammu Sarvika) - Public grievances redressal, Adhikar Abhiyan (Jammu Barish-Harod) - Public Service Delivery and Uurat Gaurabhiyan (Jui Turayal Multinational) - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the Government to reach the doorsteps of the people.

Message

Jammu and Kashmir continues to address a transformation of Panchayat Raj institutions ever since their constitution in 2008. Through the first of its kind initiative - 'Back to Village' - and the Government's decision of delegating funds, functions and functionalities to PPRs, Gram Panchayat democracy has flourished in the Union Territory. As a next step in this direction, the phase 3 of the 'Back to Village' programme is being held from mid-October to early November 2020, which will give a deeper push to the institutionalization of PPRs.

While the first BSV focussed on information and interaction on local needs, the second BSV focussed on strengthening and institutionalizing Panchayats, handholding the newly elected PPRs and focusing on saturation and 100% coverage of individual beneficiary oriented schemes.

Now, building on the foundation laid by BSV1 and BSV2, the BSV3 has been planned as an 'Action Edition' with its focus on implementation and execution. This edition will aim to address grievances and needs by concrete action on the ground, thus moving it more ambitious and action packed.

Further, local demands are being taken up through a three week long public outreach exercise - Jan Abhiyan/Awaaz-e-Mulim, with its three concurrent and interconnected goals of public grievances redressal, public service delivery and delivery of development on ground. BSV3 is also an occasion to assess government functioning and service delivery through an unprecedented, productive Government-PPR interface.

I appeal to all Panchayat representatives as well as people to come forward and proactively participate in the program, thereby making governance more participatory, transparent and responsible.

I also urge the Deputy Commissioners to coordinate the visits of officers to various Panchayat Mandaps for better outcomes and ensure adherence to COVID SOPs while arranging various outreach activities.

I am confident that the people and officials alike will once again rise to the occasion and replicate the success of earlier BSV programmes.
