Message

I am writing to you this day to express my deep satisfaction over the progress made by the Government of Jammu and Kashmir in the field of education.

The last decade has witnessed significant improvements in the field of education. The State has adopted various measures to improve the quality of education and ensure its availability to all sections of society. The State has also initiated several initiatives to encourage private sector participation in education. The State has also taken steps to improve the infrastructure of schools and colleges, and provide better facilities for students. The State has also taken steps to encourage research and innovation in the field of education. The State has also taken steps to encourage the participation of the youth in the field of education.

3

Enclosed with this message is a copy of the annual report of the State Education Board, which provides a detailed account of the educational activities carried out by the State government. The report highlights the significant achievements made by the State government in the field of education. The report also highlights the challenges faced by the State government in the field of education.

I believe that the progress made by the State government in the field of education will be an important milestone in the development of the State. The State government has demonstrated its commitment to education, and I am confident that it will be succeeded by a strong educational system in the future. I thank the State government for its continued commitment and support to education. I also thank the State government for its continued support to the State government's efforts to reach the goals of the NCF.

I am confident that this progress will be remembered as a positive and successful effort of the government to reach the objectives of the NCF.

Message

Dear Sir/Madam: I am writing on behalf of Panchayati Raj Department to you on the occasion of 2010 Panchayati Raj Day. Through its role as a major interface between the Government and the people at the level of panchayat heads, functionaries and functionaries to Panchayati Raj, Panchayati Raj has contributed to the Union Territory in a major way in the development of the Panchayati Raj programme. It is my privilege to extend my thanks to all the functionaries who have contributed to the growth and success of Panchayati Raj.

Many thanks to Panchayati Raj functionaries and officials for their efforts in the success of Panchayati Raj by strengthening and consolidating Panchayati Raj system, creating Panchayati Raj, and focusing on education and skill development and also other developmental activities.

Now building on the foundations of Panchayati Raj, the Panchayati Raj system must be further enhanced with its focus on responsive, transparent, accountable, participatory, inclusive, sustainable and green by principles and practices in general, thus making Panchayati Raj a model of good governance.

Further local democracy can be strengthened through greater participation of public between Gram Sabhas and Gram Vikas Samitis, with the focus on merit and transparency in terms of public participation in respect of public service delivery and delivery of development programs. Panchayati Raj must endeavor to enhance government functioning and service delivery through an interconnected practice of Government Panchayati Raj Interface.

I appeal to all Panchayati Raj functionaries to be people centric, transparent and inclusively participative in the program thereby making governance more representative, transparent and responsible.

I also urge the Deputy Commissioners to coordinate the work of officials to various Panchayati Raj areas for better outcomes and ensure adherence to CDR/DRSP while carrying various outreach activities.

I am confident that the people and officials alike will once again rise to the occasion and replicate the success of earlier Panchayati Raj programmes.

(Dr. M.R. Subrahmanyam)
