Subject:- Requisition / Resulation of demands for Sanctions
of 600 fts boundary wall & 25 KW transformer to
H/S Aupzan.

Esteemed Sir

With great reverence, I have the honour to state that UPS
has time and again requested, the concerned authorities for providing
boundary wall of 600 fts for the school compound as the concerned
institution is situated outside ^{the} school habitations and there is
always a seriously threat to the assets of institution.

Further the UPS has many times demanded installation of 25 K.W
transformer to the school as the LT Lab. of the institution is dysfunctional
from the date of its installation due to very low electricity voltage.

Since the solar electricity grid has been sanctioned by the State & Tech.
deptt. for which we have been told to review the agreement with
PDO from 0.50 to 10 KW that necessitates the installation of Transformer
within the school campus.
