1) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer:
II	Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
(1)	Water shortage problem is their prime demand as area is rocky under acute water shortage there is no relining, dipping or any health sub centre in the area after 1000 long road connectivity with proper maintenance is still a distant dream for the people. No bank branch in the area.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
(1)	The main problem of the area is water shortage. There is need to give services attention to this issue. Taps are constructed and pipes are laid, only need to properly make it functional school functioning is very miserable. Need to improve school infrastructure in the area. The literary role of the panchayat is considerably low. There is need to black top the internal roads in the panchayat to make the life of the people easy.
