I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I Any major complaint brought to the notice of the Visiting Officer:

The people generally complained that their problems and issues raised during BrV, & BrV2 have not been solved/resolved so far as they have been highly optimistic & hopeful about the solution/redressal of the problems mentioned/raised during BrV, & BrV2 programmes.
I, as v/o also noticed that the people are highly hopeful for the development from the govt side

II Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:

- ① Repairment/macadamisation of Road of paralpore (i.e from main Road to cheramandi via paralpore)
- ② Repairment & macadamisation of all link roads in the panchayat Halke paralpore
- ③ Upgradation of M/S to H/S in cheramandi (i.e M/S cheramandi)

III Overall assessment of visit and suggestions:
(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

As the general public (people) are still hopeful, they believe that BrV3 will bring some changes in their life, so there is need for implementation of govt. Schemes on ground level for which the concerned panchayat authorities will have to work hard so that the people will not loose their hope. The Allocation of Funds are also needed.
