III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The staff deployed to B.V.3 from various depots did not provide the requisite information as they were mostly lower cadre employees. The interest and participation of public was low as compared to previous programmes. Despite project demands in an articulate manner nothing much has happened on ground. There is lot more to do. ^{to win} with trust of public.
