NOTES

In the Gram Panchayat it was observed that there is a dire need of drinking water as the peoples are facing so many problems like electricity. as the wooden poles are used and wires are loose in the area.

Still there are more than 50 houses where electricity is out of reach. In the Hospital it was seen that basic medicines are not available & in every emergency people rush/ go to the Distt Hospital or Atnas.

In schools there are no playgrounds for children to play the games.
