NOTES

Sir, The Programme could have been much better if door to door survey could have been conducted. Unfortunately our Kachin Division has always been a soft target for vasampho elements who do not want to see the better future. We were asked to spend two nights and three days but due to the circumstances only 8 hours were given to complete the task. I can imagine what was expected to be done during these short hours of information.

Whereas from Tablipore 'B' attend it is stated that change in administration especially present administration headed by worthy D.C. is appreciable. It is all regret that for this District the son of soil will bring drastic change. Installed.
