Discussion

[illegible][illegible]

Encouraged by the success of the programme, the government organized the Deen Dayal Village Yojana in November 2018. This time the focus was on ensuring that funds and facilities delivered to the Panchayats were invested in long-term infrastructure that beneficiary oriented schemes actually reach the end persons in the chain. The Minister, Panchayats and rural members of the government in the independent survey conducted in 2020.

I believe the upcoming series of the 'Each to Achieve' (ETA) programme will be an attempt at a coordinated and determined developmental push in the region. The actual programme should be preceded by a three-week 'Jan Aagyan' (Janmukh) which starts from on 3 coordinated and interconnected goals: Jan Samard (General Samard) - Public Services Network, Aatman Abhiyan (Muhim Bansa-Haqoon) - Public Service Delivery and United Kisan Aagyan (Kish - Jan Jee) Muhim - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the Government to reach the doorstep of the people.
