1) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer:
	<p>In 2005 due to snow avalanche govt. constructed residential houses for wallangro B, but till date the houses are not handed over to the victim families and more over no cattle shed has been made as the whole village's income is dependant on cattle, so my request to govt. that the houses should be handed over to victims and every family should be given a separate cattle shed.</p>
II	Major/urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
	<p>The major demand of public is that in wallangro there is the presence of bears that can damage their cattle as they have no cattle sheds after the avalanche so on priority basis cattle sheds should be made as soon as possible.</p>
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	<p>It has been assessed that wallangro B being a far flung area. It is worthy to mention that the area has a good potential for ecotourism, horticulture regarding walnuts and sheep. Max. population is unaware about govt. schemes, so frequent awareness camps should be organised so that the area should be developed.</p>
