Message

I am delighted to learn that the 3rd version of the much-acclaimed *Back to Village-3 (B2V3)* programme, a unique and ambitious exercise of taking government to the doorstep of people is being organized from 2nd to 12th October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the *Back to Village* programme, which involved the visit of over 4000 Gazetted officers of J&K to every Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success. Visiting officers were welcomed and feted by populace eager to share its troubles and travails with what they had perceived as an unresponsive administration. In fact such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his "Man Ki Baat", calling it "a festival of development, public participation and public awareness."

Encouraged by the success of the programme, the government organized the *Back to Village-2 (B2V2)* in November 2019. This time the focus was on ensuring that funds and functions devolved to the Panchayats were used without any bottlenecks and that beneficiary oriented schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

I believe the upcoming version of the *Back to Village-3 (B2V3)* programme will be an attempt at a concentrated and determined developmental push in the region. The actual programme shall be preceded by a three week Jan Abhiyan (Awami Muhim) which shall focus on 3 concurrent and interconnected goals: Jan Sunwai (Awami Sunwai) - Public grievances redressal, Adhikar Abhiyan (Muhim Barai-e-Haqooq) - Public Service Delivery and Unnat Gram Abhiyan (Dehi Taraqiyati Muhim) - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the government to reach the doorsteps of the people.

I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer
	The works identified in B2V1 & B2V2 have not been taken up yet. The problem of drinking water facility is still pending. Similarly for solid waste management, no spot has been identified, that leads to pollution of open water bodies (springs) that are the sole source of drinking water in the gram panchayat. Development work on playground has not been taken up, that amounts to some NOC.
II	Major urgent public demand(s) that were/were reflected earlier but have not been addressed so far:
	1. Drinking water facility 2. Diversion of HT line from orchards to along road. 3. upgradation of middle school to High School at Shalgan. 4. Lift irrigation scheme for Hemawadi land. 5. Development of playground.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The panchayat Balga Shalgan requires an immediate attention towards safety & infrastructure. People feel dejected due to very poor redressal percentage of problems they have taken up in B2V1 & B2V2. To ensure larger participation of people, we should prioritize the demands & complete in time bound manner. Demands raised pertain to all sections of society & should be looked upon with the same intension. Back to village programme will be a success story when we work with sincerity to address the demands raised by people, as they attach expectations to this programme.
