Halga Panchayat Arizonpora is a small Panchayat which has very good scope for Rural development in terms of Interventions under FCA & MGNREGS. The beneficiary oriented schemes by different departments have been implemented in good spirit. During the course of B2V2, due diligence was taken to address the grievances/loop holes in the implementation of Govt. schemes and related businesses were also generated. However, many grievances have come to fore which have been registered in earlier B2V programmes as well and may need to be redressed in order to uplift the overall level of living of people & restore their faith in govt programmes. NOTES

In order to make governance accessible/reachable and to execute and implement the Rural govt. Schemes in more holistic way it would be prudent that if a Panchayat Balga is permanently assigned to District/Sectoral officer for adoption. Just like govt. assigns administrative Secretary to a District similarly a district/Sectoral officer can be assigned to Panchayat whose in he/she may be entrusted to periodically review the developmental works of Panchayat with the Panchayat level officers of line departments and also mention the day to day activities of the Panchayat. The concerned officer may also overlook the implementation of govt. campaigns like Swachh Bharat Abhiyan, Fit India and Jan Andolan campaigns etc
