Panchayat halga Ahmadabad B is socially & educationally backward, it lacks almost all the facility and infrastructures needed for development of a village. Most of the works from BSB & BSV have not been completed nor the urgent demands have been fulfilled. Hence it is recommended on the urgent basis basic necessities like water, electricity & roads demanded by the people must be made available at the earliest. Further other sectors like health, animal husbandry, sports, Anganwadis, food & supply should also be taken into consideration so this village can stand on its own and compete with others.
