Message

I am delighted to learn that the 3rd version of the much-acclaimed *Back to Village-3 (B2V3)* programme, a unique and ambitious exercise of taking government to the doorstep of people is being organized from 2nd to 12th October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the *Back to Village* programme, which involved the visit of over 4000 Gazetted officers of J&K to every Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success. Visiting officers were welcomed and feted by populace eager to share its troubles and travails with what they had perceived as an unresponsive administration. In fact such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his "Man Ki Baat", calling it "a festival of development, public participation and public awareness."

Encouraged by the success of the programme, the government organized the *Back to Village-2 (B2V2)* in November 2019. This time the focus was on ensuring that funds and functions devolved to the Panchayats were used without any bottlenecks and that beneficiary oriented schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

I believe the upcoming version of the *Back to Village-3 (B2V3)* programme will be an attempt at a concentrated and determined developmental push in the region. The actual programme shall be preceded by a three week Jan Abhiyan (Awami Muhim) which shall focus on 3 concurrent and interconnected goals: Jan Sunwai (Awami Sunwai) - Public grievances redressal, Adhikar Abhiyan (Muhim Barai-e-Haqooq) - Public Service Delivery and Unnat Gram Abhiyan (Dehi Taraqiya Muhim) - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the government to reach the doorsteps of the people.

Message

Jammu and Kashmir continues to witness a transformation of Panchayati Raj institutions ever since their constitution in 2018. Through the first of its kind initiative - 'Back to Village' - and the Government's decision of delegating funds, functions and functionaries to PRIs, grass roots democracy has flourished in the Union Territory. As a next step in this direction, the phase 3 of the 'Back to Village' programme 3 is being held from 2nd October to 12th October, 2020, which will give a deeper push to the institutionalization of PRIs.

While the first B2V focussed on interaction and information on local needs, the second B2V focused on strengthening and institutionalizing Panchayats, handholding the newly elected PRIs and focusing on saturation and 100% coverage of individual beneficiary oriented schemes.

Now, building on the foundation laid by B2V1 and B2V2, the B2V3 has been planned as an 'Action' edition with its focus on implementation and execution. This edition will aim to address grievances and needs by concrete action on the ground, thus making it more ambitious and action packed.

Further, local demands are being taken up through a three week long public outreach exercise-Jan Abhiyan/Awami Muhim, with its three concurrent and interconnected goals of public grievances redressal, public service delivery and delivery of development on ground. B2V3 is also an occasion to assess government functioning and service delivery through an unprecedented proactive Government-PRi interface.

I appeal to all Panchayat representatives as well as people to come forward and proactively participate in the program, thereby making governance more participatory, transparent and responsible.

I also urge the Deputy Commissioners to coordinate the visits of officers to various Panchayat Haatqas for better outcomes and ensure adherence to COVID SOPs while arranging various outreach activities.

I am confident that the people and officials alike will once again rise to the occasion and replicate the success of earlier B2V programmes.

2		NO ACTION TAKEN	Local welfare and health dept have to be made vibrant.
VI. Major Complaints - B2V2			
1	The demands made during B2V1 have not been met till date.		

1) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer
✓	The Complaints made during B2V1 and B2V2 are genuine and need immediate redressal. The village & Halga, Gurgaon is having PHC but without any specialised doctor (MD/MS and above). Further the hospital lacks latest diagnostic facility. The equipment available is obsolete and needs substitution by latest machinery. The PHC has long waiting time, mostly luggers.
✓	There is no Corpus (College) from Bighatara to Mohalgau (12) in the establishment of degree college to the head of the village.
II	Major urgent public demands that were raised earlier but have not been addressed so far
→	Upgradation of Primary Health centre to Sub-District Hospital and upgraded and latest diagnostic facilities. Specialised Doctors to be posted at PHC. New till hospital is hopefully upgraded to SDH.
→	Establishment of Govt Degree college at Nurga Gaura.
→	Non-availability of safe/filtered drinking water.
→	Non-availability of office for agricultural, horticulture, soil welfare and Animal Husbandry despite allocation of land in the village.
III	Overall assessment of visit and suggestions thereon. (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The demands raised during B2V1, B2V2 and B2V3 have been analysed and most has consideration. Though the demands and redressal of complaints can't be met/redressed yet the establishment of Sub-District Hospital, upgraded safe drinking water, construction of a new building on the identified land for agricultural, horticulture, Animal Husbandry, Soil welfare and rural office etc may be considered as first priority.
	Water conservation, soil conservation and rural sanitation need immediate attention in view of hilly terrain, dependency of people on horticulture, which will fulfil the objectives enshrined in Green Chaul Mission and Jal Jeevan Mission.

Signature of the visiting officer
 dependency of people on horticulture, which will fulfil the objectives enshrined in Green Chaul Mission and Jal Jeevan Mission.
 → Re-opening of Sanctioned Post office at village.

NOTES

In addition to what has been assessed in foregoing notes, the following suggestions are made to make the Halga Panchayat a vibrant organ for social and economic upliftment:-

1/ A vacant building of Food and Civil Supplies department located in the Halga Panchayat be handed over to the concerned wing of Horticulture dept. for its use as Cold Storage Unit, which will benefit the entire village.

2/ Plant Bait Nursery in the name of RDD in Halga is an idle piece of land which can be easily developed as Public Park.

3/ The building of GBHSS Sallar is Cent percent unsafe. A plan for a new building may be formulated on priority.

4/ The work on Panchayat Ghar Sallar-B has been stopped long back, which may be taken on priority.

5/ Modernization of all interior roads of Sallar-B Halga Panchayat, and electric poles for the entire Halga (100 LT and 50 HT Poles).
