# Please indicate whether action taken in 2019 or 2020 or during Jan Abhiyan/ Awami Muhim.

# 1) GENERAL ASSESSMENT OF THE VISITING OFFICER:

|     |                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| I   | Any major complaint brought to the notice of the Visiting Officer:                                                                                                                                                                                                                                                                                                                                                                |
|     | The People of GP "VIZER" generally complained about the absence of roads that can connect vizer with the adjoining villages, lack of proper drinking water facility, absence of electric poles across the village, absence of irrigating field canals and concrete drains and about tile less inner paths in vizer.                                                                                                               |
| II  | Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:                                                                                                                                                                                                                                                                                                                                |
|     | <ul style="list-style-type: none"> <li>= People of vizer face acute shortage of drinking water and electric poles at critical junctures in residential areas.</li> <li>= Construction of vizer - wagoora road (approx 2km)</li> <li>= Construction of Protection walls of New Colony (Dhobi Kha) from the main road upto the house of Ghulam Nabi Dhobi.</li> <li>= Panch Karuna hospital and a digital Public library</li> </ul> |
| III | Overall assessment of visit and suggestions:<br>(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)                                                                                                                                                                                                                                                               |
|     | <ul style="list-style-type: none"> <li>= There was thin attendance of Public and the people were not that supportive as in B2V1 and the reason being that the demands made by the public in B2V1 and B2V2 have not been fulfilled and their problems not being addressed.</li> </ul> <p>I as visiting officer suggest the administration to take care of the public demands.</p>                                                  |

Signature of the visiting officer
