III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The visit remained satisfactory to some extent. But a lot of grievances came into notice that there is a very poor response for approval of BSV1 & BSV2 works. Hence, it is suggested that the purpose of conducting Back to village programme should be seriously taken into consideration and it is that the Corruption at the grass root level can be ignored.
