III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
<p>The panchayat members worked in coordination to attempt to project their demands. However, since majority of demands are infrastructure related (roads, water) the visiting officer is only in a position to forward the same & not contribute in resolving it.</p> <p>It is useful for visiting officers when there are out of the box initiatives where their inputs are valuable like the solid waste centre in Aghar Jitto, and I recommend the association of visiting officers with such projects.</p>
