Problem of water scarcity. Construction of motorable Bridge at Hari Eidga. - Construction of Culverts in different wards. - No doubt some improvement in R.D.D. is seen in some areas during this visit.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.) The people of the Panchayat are not satisfied with the different departments. There is dire need of Electricity, No regular supply of water, some people are facing diverse type of problems. People are very much angry with the deletions of their names in different schemes. Moreover schemes of different types are not being implemented in letter and spirit. There seems a bond of contentions between panches & Sarpanches over some works which are still going on.
