III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	People defeated in expectations & hope were disappointed and showed resentment as works were not completed or were stopped in midway due to stopping of funds. People showed reservation & melancholic attitude as compared to B.V. People are also unaware about the PRI & their duties & responsibilities. If the demands are fulfilled with sincerely & honesty this type of public outreach would really be a great success. V.Os should be given powers.
