NOTES

During the visit under Bant to village Br-V3 Phum at Naebul B. Kuthuma, the village is situated at the extreme base of under lane and the village ~~is~~ are enormously dependant on the production of under lane - fishing, sand, bamboo, water nuts, and lotus seeds, and sugar etc. as there is no Agriculture here production, as there is drainage water is below base, flows along the next the below have participated prominently and have demand certain things which can be fulfilled if only local Acm Dphthi can, such as! - The demands representation are exhaust.

1. Road connectivity through Samnakhara may Economically benefit the
2. Drinking water, only 25% area of village is connected rest 75% water are coming in safe water of nearby only issue is to connect the village with Kithin part of this own scheme some money have this needs to be re-demanded by PHE is connection with Administration
3. one School building is under construction by RRB and 2nd one 46x20 has been completed by R-DD. But there is some funds for RRB and the village demand that a Slab want supply provision for this funds are under, this may also pay a way for funds Entertain by way of second story
