I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

Any major complaint brought to the notice of the Visiting Officer:

The people of the Halqa demanded modernization of inner links of the whole area, for which they had already demanded in previous BZV's programmes.

Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:

The public also demanded establishment of Anganwari centers in remaining three wards of Sumlar A, Mohalla Bkupora, Wani Mohalla, Ranghuma, and installation of transformer to Chopan Mohalla, both the demands were already raised in BZV.1 & BZV.2.

Overall assessment of visit and suggestions:
(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The visit remained very successful, public participation was encouraging as panchayat committee has done good job in the Halqa. However VSO observed that there is drinking water problem in the upper areas including school and panchayat Ghar, it is recommended that a pipe line should be laid from Gajarpalli to Panchayat Ghar via play ground. and a protection wall should be constructed in front of middle school to protect the school ground.
