NOTES

(Acute Shortage of Drinking Water)

The essence of back to villages is to get addressed the various local issues of public properly. The main problem of village Khanda is that the public here is facing Acute Scarcity of Drinking Water for last many years. Even schools are also without drinking water facility.

The demand was raised during Bxv, Bxvi and now again Bxv

Kindly take it on priority basis so that public will get some sort of relief. Next Bxv programme will be held otherwise next time things will turn against us.
