People's Republic of China

[illegible]

Pump should operate from time to time.
 ② It is very simple to use.
 ③ Replacement of parts is very easy.
 ④ It is very cheap and simple to use.
 ⑤ Land Compensation by 100%

Recommendation 5 is a little different and population for is a different hence development of head of in and electricity in the town on recommended for RMB 100. During winter and dry season water supply in streams have permanent solution to drinking water with filtration plant made of the local source of the water.

NAME VEL. G. N. 210

NOTES

one issue of greater significance ^{was} brought to ~~public~~ ^{my} ~~land~~ ^{land} notice which ^{was} ~~was~~ ^{was} urgent attention by the Revenue authorities. People (majority) complained that the land holdings are still in the names of their grand fathers and fathers and in many cases (quite a large number) they are not alive and the people need Revenue papers in their names. So many beneficiary schemes are launched by the Government but 100% saturation is not possible because Revenue papers remain the pre-requisite. Whether, Loans, Compensation, KCC, Crop Insurance (Farak Pirmar), Setting up of units, PM Kisan, Kisan Pension, Housing loans etc. It is as such requested that Revenue Camps may please be initiated. Moreover Forest land may also be demarcated as intermixing of seems to be existing.
