→	Water Supply System is so poor and unhygienic.
→	
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	Level of awareness among mass regarding various schemes is very poor and long pending demands of various pending projects for development have been not been fulfilled till date. The locals have serious objections about ration cards as there should be urgent availability of ration cards as poor people are not able to take benefits of schemes.
