I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer
X	Drainage system in Moosa ehat
X	Drinking water facility for the residents of Kanilbagh
X	Economic edge to the people living in sheds
X	Electric cement/iron poles to replace wooden poles
X	Primary school @ Kanilbagh to be given a separate accommodation.
X	Shifting of Anganwadi centre at Moosa ehat
II	Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
X	Health care facility
X	Accommodation issue @ P school Kanilbagh
X	Road to Kanilbagh
X	Socio-economic upliftment of fishermen
X	Drinking water to Kanilbagh
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The visit was wonderful seeing the work of RDO but still a lot of things should be taken up in urgency. The people of Moosa ehat have their source of income affiliated to fishing activities and hence any fish related schemes should be properly promoted to them. Health care centre should be priority after road, drinking water and electricity.
