III	Overall assessment of visit and suggestions (The visiting officer to ensure that the overall assessment is correct and detail along with concrete suggestions.)	
	People initially were highly disappointed as their main demands of B2V1 and B2V2 i.e. of water, electricity / Roads is same as before start of back to village. After explaining to them about seriousness of Govt about the demands raised by people in back to village programmes people got convinced to some extent and started participating in the B2V3 Programme and again put forward their main issues of hygienic drinking water, proper electrification and repair / maintenance of roads etc with the hope that this time the back to village will solve their problem, So my suggestion is to at least solve their main problem of hygienic drinking water.
