I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer:
1.	Army has acquired the land in 1986 of village Bandusale with Maira. But poor farmers are being paid compensation @ meant for irrigated land as we can observe the army surrounded by paddy field which shows that the land under army is also irrigated land so compensation should be paid @ irrigated land? 2. water scarcity in ward no 7 & 8. As there is only one tubewell to supply water to the huge area. As is seen in these these days of B2 V3 people are crying for water & there is no proper supply. As I myself visited the tubewell, there nothing any poster of drinking water for the employees.
II	Major urgent public demand(s) that was/were reflected earlier but have not been addressed so far:
1.	In ward no 9. new Satyabala: Construct a platform with cone & drain.
2.	Primary School at Mandigala: It was found that school has unsafe structure. it needs its removal immediately and for prevent untoward incident for the safety of kids and two new rooms may be constructed in place of the unsafe structure.
3.	Construct a platform at Bandusale Colony w. no: 2 near mandir
4.	Construction of 15 no culverts in Panchayat Bandusale.
5.	50 no of chairs to be provided along side of River Chemas adjoining Ppt Bandusale.
6.	(ed) Transformer & 300 pole with wires & connector are immediately required.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	Gram Panchayat is functioning well. Gram Ppt members are Co-operating in all field to the general public. they are projecting the problems of the people of the Panchayat very well & also getting solved them. Public services are satisfactory. Almost all the departments of doing their job well. The people garland the visiting officers & welcomed them. which shows that the people have faith & trust on the Govt machinery. at the same time people of Panchayat are demanding the compensation of their land which is under army @ irrigated land which is paid to them @ dry land which is injustice to them.
