LIEUTENANT GOVERNOR

Message

I am delighted to learn that the 3rd edition of the much-awaited Book to Village-3 (B2V3) programme, a unique and ambitious exercise of taking Government to the doorstep of people is being organised from 2nd to 12th October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the Book to Village programme, which involved the visit of over 4000 Government officers of J&K to every Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success and staff officers were welcomed and host by people eager to share its troubles and challenges with what they had perceived as an irresponsible administration. In fact such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his "Man Ki Baat", calling it "a festival of development, public participation and public awareness."

Encouraged by the success of the programme, the government organized the Book to Village-2 (B2V2) in November, 2019. This time the focus was on addressing the needs and grievances of the Panchayats without any bottlenecks and inefficiencies. The Hon'ble Prime Minister functions delivered to the Panchayats were used without any bottlenecks and inefficiencies.

I believe the upcoming edition of the Book to Village-3 (B2V3) programme will be an attempt to address the concerns of the Panchayats in the region. The actual programme shall be preceded by a three week Jan Abhiyan (Awam Mahfil) which shall focus on 3 concurrent and interconnected issues: Jan Suwaral (Awam Surwal) - Public grievances, Jan Suwaral (Awam Surwal) - Public grievances, Jan Suwaral (Awam Surwal) - Public grievances, Jan Suwaral (Awam Surwal) - Public grievances.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and historic effort of the government to reach the doorsteps of the people.

Message

Jammu and Kashmir continues to witness a transformation of Jirga/Jam'at Panchayats and Gram Panchayats in 2018. Through the first of its kind exercise - Akshat Village - and the second Gram Panchayat - Mission of Developing Rural, Urban and Jirga/Jam'at Panchayats to 2018, gram panchayats, Jirga/Jam'at Panchayats and the Union Territory are a need also in this direction. The grade 3 of the Jirga/Jam'at Panchayat programme 3 is being held from 2nd October to 12th October 2020, which will give a boost to the mobilization of Panchayats.

With the first B2V training on innovation and information in local levels, the second B2V focuses on strengthening and mobilizing Panchayats, strengthening the fourth sector Panchayats and securing in addition with B2V coverage of individual beneficiary oriented schemes.

New building on the foundation laid by B2V1 and B2V2, the B2V3 has been started as an action plan with its focus on implementation and execution. This action will aim to address grassroots action with its focus on implementation and execution. This action will aim to address grassroots and create by creating action on the ground. This means a more effective and action plan.

Further, local committees are being taken up through a series of training, capacity building, and strengthening. Further, with its focus on strengthening and mobilizing Panchayats, strengthening the fourth sector Panchayats and securing in addition with B2V coverage of individual beneficiary oriented schemes.

I request to all Panchayat representatives as well as people to come forward and proactively participate in the program, thereby making government more participatory, transparent and accountable. I also urge the District Commissioners to coordinate the visit of officers to various Panchayat Jirga/Jam'at Panchayats and ensure adherence to CDD/CDD-India while ensuring various subjects activities.

I am confident that the people and officers will work together for the occasion and together the success of entire B2V programme.
