III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	All line departments are contributing their bit to the development of this Panchayat Halga, but a synergistic approach is needed so that the efforts made are done in a way. best ^{and} resource coalesced work in a result oriented planning. R.O.D Deptt can dovetail the schemes of its different wings with agri-based depts. so that resources are used for a long term planning and generation of employment & products. Paddy crop of the area can be revived if pollution levels are brought down as the area has turned highly industrial by unplanned by-water resources need to be preserved in order to revive agriculture sector.
