October 02-12, 2020
Governance at Peoples' Doorstep

Government of Jammu & Kashmir

GENERAL ASSESSMENT OF THE VISITING OFFICER:

Urgent public requirements in order of priority (Max. 07):

1. Filled drinking water to way household. Overhead water tanks & pillars plan
2. Additional 200 LT Poles and 50 HT poles along with transmission line, approximately 20 kms.
3. Remediation of all internal link roads by R & B
4. Dumping site for solid wastes.
5. Borewell for orchards and upgrading of irrigation canals.
6. Community library and entertainment for youth
7. Juice plant for horticultural produce

II Any major complaint brought to notice of the Visiting Officer:

The school and panchayat shed remains water logged for most of the time as the pipe under the road is filled. The village needs a culvert desperately near panchayat as early as possible so that p. annas will have a high of relief from incessant rain & flood.
