Through my efforts ably supported by BDO Achabal, we have been able to transform B₂V₃ at Panhajat Halga into a "Satisfying & Successful unit". People have pinned lot of hopes in

NOTES

47 Administration headed by our colonial, money, and
ability, sound & vigorous public servant Governor (Mr. Muz
of experience & is a repository of
knowledge and wisdom. People are saying that their demands
(B2V1, B2V2 + B2V3) will be prioritized for redressal in a
time bound manner. I care across poor people who live in extreme
poverty & poverty - coverage under a genuine scheme provided ^{the same} eligible
is water near to the. Likewise removal of a tree from a
poor man's house or a school or a anganwadi centre will be
important for ^{training} raising ^{capacity} & faith of masses in the Panchayat
raj system. Upgradation of electricity infrastructure ^{remains} paramount
significance as I & K holds the distinction of being behind targets under
Sarvagya ahead of the target dates. Shortage of staff is an
area of concern which needs to be looked into speedily. Participation
of lowest rung employees in Prashiksha & village programmes don't help
in any manner to educate masses about the departmental programmes.
^{academic guidelines} There is also need for rigorous training of staff connected
with Public outreach programmes - their roles etc.

It is difficult to achieve 100% public satisfaction as demands are
day-to-day community oriented & individual ones. However, for tangible
answers & securing public good & pronounced satisfaction, the
demands projected during the three editions of B2V need to
be prioritized for fulfilment in plans & in a time line.
