Message

I am delighted to learn that the 3rd version of the much acclaimed *Back to Village-1* programme, a unique and ambitious exercise of taking government to the doorstep of people is being organized from 2nd to 12th October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the *Back to Village-1* programme, which involved the visit of over 4000 Gazetted officers of J&K to Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success. Visiting officers were welcomed and feted by populace eager to share its troubles and travails with what they had perceived as an unresponsive administration. In fact such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his 'Man Ki Baat', calling it "a festival of development, public participation and public awareness."

Encouraged by the success of the programme, the government organized the *Back to Village-2 (B2V2)* in November 2019. This time the focus was on ensuring that functions and functions devolved to the Panchayats were used without any bottlenecks and that welfare oriented schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

I believe the upcoming version of the *Back to Village-3 (B2V3)* programme will be an attempt at a concentrated and determined developmental push in the region. The actual programme shall be preceded by a three week Jan Abhiyan (Awam Muhim) which shall have three concurrent and interconnected goals: Jan Surwai (Awam Surwai) - Public Service Redressal, Adhikar Abhiyan (Muhim Barai-e-Haqooq) - Public Service Delivery and Udaari Granj Abhiyan (Dehi Taraqqiyati Muhim) - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the government to reach the doorsteps of the people.

Message

Jammu and Kashmir continues to witness a transformation in participatory governance since then constituted in 2008. Through the first of its kind initiative ‘Back to Village’ and the Government’s decision of amalgamating Jinnah Junctions and Kuchelwaras, B.P.H.E. Gram Sakhi democracy has flourished in the Union Territory. As a first step in this direction, the theme of the ‘Back to Village’ programme is being held from end October to early November 2019 which will give a deeper push to the institutionalization of PRIs.

While the first BAV focussed on identification and information on local needs, the second BAV focussed on strengthening and institutionalizing Panchayats, heralding the newly elected members focusing on saturation and 100% coverage of individual household survey oriented schemes.

Now, building on the foundation laid by BAV1 and BAV2, the BAV3 has been planned as an exercise in tandem with its focus on implementation and execution. The edition will aim to address the needs and concerns of the grassroots by focusing on the ground, thus making it more effective and efficient.

Further local demands are being taken up through a three week long public awareness programme led by Abhyant/Awaraz Muzim with its three concurrent and inter-connected focus of public awareness, appraisal, public service delivery and delivery of development projects. BAV3 is also an exercise to assess government functioning and service delivery through an embedded interface with Government-PPRI interface.

I appeal to all Panchayat representatives as well as people’s committees to forward information and feedback in the program thereby making governance more participatory, transparent and responsive.

I also urge the Deputy Commissioners to coordinate the visits of officers to various Panchayat Haldags for better outcomes and ensure adherence to COVID-19 SOPs while arranging any public awareness activities.

I am confident that the people and officials alike will come together to ensure the successful completion of the success of earlier BAV programmes.
