1) GENERAL ASSESSMENT OF THE VISITING OFFICER

3	Any other relevant information	Both villages reflect some wider Panchayat policy (Kudhwa) i.e. Swachh + Mahila. Both papers circulating in the locality. Most of the letters are connected with the nuclear risks but the topic surrounded most of the time. Several of circulating letters is the single bottom-line free that needs to be addressed on priority.
4	Major upper caste (Gothole) that were not affected earlier but have not been addressed to the	lack of proper drinking water facility in both villages of the Panchayat. Village was affected in both the B&V units of 2013 & 2014. The problem is yet to be resolved.
5	Overall assessment of both and suggestions (The writing officer to provide the overall assessment to be recorded in detail along with concrete suggestions.)	In conclusion, the the last year visit this year's visit was kind of surprising. People complained that great developments appeared, towards addressing people's problems like, 'lagadga' etc, water, drinking water etc. But But in the programmes concerning women, the Panchayat policy, activities should have all the updated statistical and other data related to the panchayat with them.
