1) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer
#	As reported c/o bridge at Dooru near masjid Sharif was inaugurated in the previous B2V programmes. However no work has been started on it since. The public expressed dissent regarding the same.
#	The secretary panchayat of the halqa has been assigned a total of 5 halqas which affects the productivity.
II	Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far
	1. Demand for replacement of poles and wires. 2. Demand for c/o drainage system in the area. The public complained of water logging problems during rainy season and demand that a robust drainage system is constructed to deal with it.
III	Overall assessment of visit and suggestions (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	The Health centre (subcentre) is presently functioning from a single claustrophobic room which appeared to be unfit for the purpose. The health club centre needs to be shifted to a different place which will be better suited for the purpose. Further, the area Sekdan doesnot appear to have a rural character. The public turnout at the programme was lesser than expected.
