II	Any major complaint brought to notice of the Visiting Officer:
	<p>The main complaint put forth by the citizens of the area was about the non-redressal of requirements highlighted during the BSV. The citizens once again highlighted these demands with a hope for their immediate disposal, however, it was also demanded to make Govt. officials posted in the area more accountable.</p>

III Overall perception of functioning of the government:

The citizens are not satisfied with the performance of the concerned dept. as no action has been undertaken after BSVs as per the general reports & feedbacks from the local population.

IV Overall assessment of visit and suggestions:  
*(the visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)*

Multiple difficulties like no health care, water supply, general sanitation, roads, proper supply of electric poles & transformers & other like road to the area are faced by the citizens of the area. Moreover present seat of learning needs upgradation as around 1000 students are studying in various schools. (Govt & private). to higher sec. level. The present school needs reallignment of the campus for the safety of girl student also other problems as mentioned needs immediate care, otherwise the faith over the system shall not exist any more.
