III	Overall assessment of visit and suggestions (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	This Panchayat is situated at a hilly terrain and the Public is confronted with numerous problems for want of basic civic facilities. All the developmental works remain held up for the years together due to lack of proper motorable road. All the developmental activities can be easily carried out if there is a well constructed motorable road connecting this Panchayat with the other Headquarters.
