1) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer.
	The major problem of the Panchayat Rasmam is that the Panchayat is having a large geographical area but it is fragmented and unorganised. My suggestion is to divide the Panchayat into two units i.e. Upper Rasmam and Majur. - Also construction of Entry point for Panchayat as there is no connectivity from main Road to the area. - Upgradation of M.S. Chugli (Rasmam) school.
II	Major/ urgent public demand(s) that was/were reflected earlier but have not been addressed so far.
	- Connectivity of Road from Merota to Dabri Mata. - Road from Lower Damak to Nagar via Panchayat lichen. - Road from Nagar to Kund via Chutain. - Construction of Play ground at M.S. Chugli Rasmam. Land is available 4 Kanal ^{clearance the liability of PPT and public demand functioning} Ghar banding PPT - Ghar. - Urgent need of construction of Milk collection Centre. - Construction of Road from Chowki to Kadmadi Link road 4 Km. - Tractor road from Salomoga to Kadmadi 1.5 Km.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	Over all assessment of the visit is that the condition of Panchayat Rasmam is not good. There is no road connectivity people have to cover large distance to move from one place to another. Ppt. should be bifurcate into 2 units. lack of awareness among the villagers. Also there is shortage of electricity. Transport is another problem. Ppt. needs development in every field.

Signature of the visiting officer, Ppt. Rasmam
