III Overall assessment of visit and suggestions:

(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The works suggested in previous Back to Village programs have not been taken up. This has made unsatisfactory behaviour of village people & the zeal & response they showed in B2V1 could not be observed. Their hopes have been shattered. For this program to be successful the each and every work prescribed should start so that people & general public show faith in these kind of programs. Administrations should make the list of works up to Panchayat &

work should be started

Signature of the visiting officer

Name: Dr. Farhan Gulzar.

at least 9+ may take time but hope should be entangled with this program.
