Subject :- Reconsideration for relief in favour of affected families residents near kalith firing range.

Sir, we the People of Dhaleri(helmet Tibi) to put forward few lines regarding the unjustified treatment by the administration and army authorities in granting relief to families residing near the Kalith firing range. We are hopeful that you will take necessary action for speedy disposal of relief to the affected families.

We are residing near the Kalith firing range and during the last year deliberations regarding sanctioning of firing range we assured by army civil administration that affected families will be provided with the relief and in this regard the authorities have prepared list of all households of our locality. The list of individuals and cattle were also prepared not only once but twice.

But during the disbursement of relief to the affected families in the vicinity of firing range our helmet has been not granted any relief.

We have objected strongly the renotification the range and authorities at the time of renotification properly listened to our genuine problems faced by us due the existence of this firing range.

Our houses has been badly damaged due to nearness to the range.our grazing area for cattle drastically shrunk due to firing range. Other families whose details has been prepared with us has been distributed relief last month but our households were not provided any relief in lieu of damaged caused to us.

We humbly request you to take up the matter with appropriate authorities for disbursement of relief to the affected families.

Thanking you

Yours sincerely

People of Dhaleri (helmet Tibi)
