III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)  Visit of 1st day was very helpful but not that much fruitful. Practice of people was having a small group of people's not at all. It was not very much improved by people's one panel which was not very much improved. Area, very much so it would be better if the person being elected is a doctor and the people's panel. People's panel is because of no meeting in their vicinity. No meeting and people has been returned yet.
