III Overall assessment of visit and suggestions:  
(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

The main road to the village should be widened. All encroachments or walls encroaching should be removed instantly. There should be a road to the highway in the western side. The Chaand playground should at once be levelled. A primary school should be started instantly in Nadiya that may be rented temporarily. The houses with electricity should be electrified before winter. There should be a govt. medical shop with a medical assistant instantly. Easy agric. tools & hybrid seeds should be introduced. Carp pond should be tried. A government carp pond can prove beneficial if not done privately. Inner roads should also be widened where possible. Tube wells should be installed around. Self help group should be encouraged and funded to prove better. The poor & needy should be helped. The illiterate should be addressed & helped. Aanganwadi centres should be guided to educate the kids & prepare (P.T.O.)

them for primary education at the primary school. Labelled as small bridge across Hapaty nullah should be taken. No dispute over it regarding the road on one of its sides should be resolved amicably. People coming forward for the village sincerely should get adequate attention to be consulted. The Sarpanch should receive grievances to discuss & address them along with at least a representative from the concerned department adequately. No village officer ready to lend his help should get neglected. Every person should have the chance to be tried & played as per his capability & resources together with what can be done & provided for him. Ready help should give the chance to bring forth the best as we try & as others get their chance to do the best as it can be.

Steps provided with the assistance of the department of Sericulture for which loans have been received from the concerned & not paid back should be addressed for the case being faulty & inform so that the programme runs successfully & efficiently.

Aasha Workers doing their service of the society for a meagre sum of two thousand rupees per month should be paid adequately. They should not feel forced to serve for their poverty. They should feel the value of what their duty is doing with all that us too. There should be a Panchayat for the village for a Panchayat working for the village palga in general. Education, health, livelihood & all go together. With adequate & maximum opportunity possible for all irrespective of any party.

P.S.A pamphlet of all the schemes should be made & delivered door to door.
