1) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer:
-	Water supply scheme is languishing and the villagers are facing scarcity of water. The representatives of PHE dept. assured that matter will be resolved in weeks time. The officials of the PHE dept. are not solid waste management.
-	Replacement of crooked Electric poles.
-	Widening of Jambaspura - Bimel road.
-	Major urgent public demand(s) that were reflected earlier but have not been addressed so far.
II	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
-	Water scarcity
-	Solid waste management.
-	Widening of Jambaspura - Bimel road.
-	Drinking of irrigation canals.
-	Irrigation canal Chakko Bimel to be widened PMAY sanction & payment of individual toilets.
-	Old age pension & other social welfare schemes not properly implemented.
III	The Pandeyat is not fully functioning as there is no elected panel for the Pandeyat stage. The participation of gram saba is poor which affects the participatory concept of inclusive development. The roads maintained by the P&R are in poor condition and the Pandeyat has been totally ignored by the line dept in the normal programmes. The performance of social welfare & health dept. is poor and needs improvement. The opening of new avenues are required besides mobile connectivity.
-	roads to be improved.
-	through installation of tower.
