III. Overall assessment of visit and suggestions:

(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Kanah village has very poor road from Teh for having only 5 to 6 km from Teh headquarter still the road needs are very poor no maintenance work taken up. Further L & T has executed some project but not laid. work remains pending. Further villages are very poor & poor. They submit their demand very politely. Further this time no so much people lined up in gram Sabha or B. V. programme as they are very annoyed as previous demands which were not conceded. To get information from P.W.D. deptt this time got funds for the work programme of 2018-2019 after 2 year. So Govt. should sanction plan in the same year so that public demand can be conceded. If only few demands are conceded public will be happy.
