 ② Previously, the trend of execution of RDD works was that the material (Cement, Sand, door, windows etc) was provided by the deptt. itself, but now the trend is that the cost of material as well as the labour expenditure is to be borne by the beneficiaries themselves and then after the completion & measurements made by the engineers the payments are done. The people of the P.Yt. Halga are too poor to bear such expenses in advance themselves. So the execution of works does not even start.
