(The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)

Provide of Casualty Services in PNC Chahal.

The B2V3 programme was attended by common people who raised several demands before him. Most of them were related to spirit and people demanded completion of Borewell and should double efforts to solve the problems of people e.g. water supply, electricity ration etc.

Largely B2V3 proved success. In future responsible officers of the departments should attend B2V3 programme personally so often send clear or employees to such programme which becomes necessary. Representation may be given due protest in Govt. then.
