I) GENERAL ASSESSMENT OF THE VISITING OFFICER:

I	Any major complaint brought to the notice of the Visiting Officer.
II	No work under Back to Village Phase-I and II has been executed on ground till date. The major problem we come to my notice is lack of water supply and poor availability of electricity in some households. However the construction of that Road (last year) is the urgent need on the panchayat.
III	Major/ urgent public demands that was/were reflected earlier but have not been addressed so far: 1. Need of P.W. at Panchayat 2. Construction of Road from main Road to Extension Plot 3. Demand for skill based training for the panchayat 4. Use need of Road from main Road to main road 5. Culvert near Road of Anger malia 6. Sewing complex for both the villages to panchayat 7. Anganwadi centre at 20.10.02.05 and 07 8. Extension of 20.10.05 9. Road from main road to main road 10. Road from main road to main road.
III	Overall assessment of visit and suggestions: (The visiting officer to ensure that the overall assessment is recorded in detail along with concrete suggestions.)
	During the visit it has been observed that the lack of water supply and electricity in some households is a major concern. As the water and electricity are the basic necessities to the state so panchayat can provide. Further many households are not connected to the main line but also the drinking water is not available to the people. However a P.W. is much needed in the panchayat.
