	The villages of the G.P. are mostly dependent on agriculture and being near to the town Budgera is lacking basic facilities like Sanitary Complex, water supply in defunct condition. The unemployed youth of the G.P. are very keen in entrepreneurship. Shortage of drinking water & poor electricity is the main problem of the whole G.P. The villagers of the G.P. have donated their own land to make well connected roads & the hosteller land which needs further upgrade.
