Message

I am delighted to learn that the 1st version of the much-acclaimed Back to Village-1 (B2V1) programme, a unique and ambitious exercise of taking government to the doorstep of people is being organised from 2nd to 12th October 2020, across Jammu & Kashmir.

In June 2019, the Government of Jammu and Kashmir embarked on the Back to Village programme, which involved the visit of over 4000 Gazetted officers at J&K to every Panchayat and spending two days and a night there. It was also an opportunity to support and strengthen the newly constituted Panchayats. The programme was a huge success. Visiting officers were welcomed and held by genuine eagre to share its acuties and travels with what they had perceived as an stressorve administration. In fact such was the enthusiasm generated by the programme that the Hon'ble Prime Minister made a mention of it in his "Man Ki Baat", calling it "a festival of development, public participation and public awareness".

Encouraged by the success of the programme, the government organized the Back to Village-2 (B2V2) in November 2019. This time the focus was on ensuring that funds and functions devolved to the Panchayats were used without any bottlenecks and that beneficiary oriented schemes actually reach the last person in the queue. The Hon'ble Prime Minister again made mention of the programme in his Independence Day speech of 2020.

I believe the upcoming version of the Back to Village-3 (B2V3) programme will be an attempt at a concentrated and determined developmental push in the region. The actual programme shall be preceded by a three week Jai Abhiyan (Jaiwar Mubini) which shall focus on 3 concurrent and interconnected goals: Jan Surwai (Awam Surwai) - Public grievances redressal, Adhikar Abhiyan (Muhar Bar-e-Haqiqat) - Public Service Delivery and Unnat Gram Abhiyan (Vidhi Tanqiyas Mubini) - Delivery of Development on ground.

I am confident that this unique effort shall earn the respect of the people of Jammu and Kashmir and that it will be remembered for long as a unique and sincere effort of the government to reach the doorsteps of the people.

Message

Jammu & Kashmir continues to witness a renaissance of Panchayat Raj institutions over seven years' transition in 2018. Through the first of its kind initiative 'Back to Village' and the Government's decision of releasing funds, subsidies and incentives in FY19, grass root democracy has flourished in the Union Territory. As a first step in this direction, the stage 3 of the 'Back to Village' programme is being held from 2nd October to 12th October, 2020, which will give a deeper push to the revitalisation of PRA.

While the first B2V focused on intensive and information about needs, the second B2V focused on strengthening and institutionalising Panchayats, revitalising the newly elected PRA and focusing on capacity and MHA coverage of individual beneficiary oriented schemes.

Now, building on the foundation laid by B2V1 and B2V2, the B2V3 has been planned as an Action agenda with its focus on implementation and evaluation. This will aim to address gaps/needs and thereby create action on the ground, thus making it more impactful and action oriented.

Further, local demands are being taken up through a three week long public outreach exercise - Jan AbhyasKarmi Mahin, with its three concurrent and interconnected goals of public grievances redressal, public service delivery and delivery of development on ground. B2V3 is also an occasion for access, government functioning and service delivery through an unprecedented positive Government-PRI interface.

I appeal to all Panchayat representatives as well as citizens to come forward and proactively participate in the program, thereby making governance more participatory, transparent and responsive.

I also urge the Deputy Commissioners to continue the visits of officers to various Panchayat Hujras for further outcomes and ensure adherence to COVID-19 SOPs while organising without outdoor activities.

I am confident that the people and officers alike will once again rise to the occasion and replicate the success of earlier B2V programmes.
